## PRESIDENT'S MESSAGE

by **MARY F. CASEY**

60 Wilbur Street  
Raynham, Mass.

02767

One year ago I sat here and wrote my first column as President of the American Pomeranian Club. At that time, I asked the question, "Where, Oh Where are the Poms at the Shows?" One year later, I am still asking the same question.

Our Annual Specialty Show was revived back in 1960, I believe, under the Presidency of Miss Anna K. Nicholas. Since that time, we have only twice had an entry exceeding 100. This year the entry was 72. Only one-tenth of the membership sent in an entry. I think you will all agree with me that this is a very small percentage.

Needless to say, this is very discouraging to a Show Committee Chairman, her committees and to the Officers and Directors who work so hard in planning a weekend of enjoyment for all.

*This is your club — THE AMERICAN POMERANIAN CLUB — show the people you have elected to run your club that you do have an interest in it.* If you have any suggestions to offer to help improve attendance, to help improve the show in any way, please don't hesitate to write and let us know what they are. We are here to do your bidding and each recommendation will be considered.

We all know that it is impossible to have 100% attendance at the

Specialty. We realize that many cannot attend for numerous reasons, but if just 25% would attend it would mean a great deal and there is NO REASON for not having 100% PARTICIPATION—I think every member can afford a couple of dollars toward the trophy fund or the booster page. *So how about it fellow members? Let's start planning for our 1971 Specialty Show RIGHT NOW!*

To the people who did support our 1970 Show with entries, trophies, ads, attendance etc. **OUR MOST GREATFUL AND SINCERE THANKS.** Hope you'll all be back again next year.

If you haven't received the copy of the Proposed Revision of the Standard by the time you receive this issue of the Review, you will be receiving it soon — *Please read it over thoroughly and please send in your vote — vote either Yes or No, but PLEASE VOTE.* We want 100% return on these ballots.

Once again I want to thank all of the members who have written to me during the year. Your words of encouragement, criticism and suggestions have been most welcome. I have tried to answer as many as I possibly could, but still have a few to go. Please be patient, I will answer yours soon, if I haven't already done so.

A word of praise to the Secretaries and Newsletter Editors of the Regional Clubs. Keep up the good work. Be sure to send a list of your new Club Officers for 1970 to the A.P.C. Secretary, Joy Brewster & also to Sophie Mayes so their names can be put in the Review. Sophie would also like a quarterly report on your Club's activities for the Review, so send in a resume on what you have been doing in your area. The Re-

### DEADLINE

Unless stated otherwise, 20th of the month six weeks in advance of publication. For example, August 20 for October issue.

## SECRETARY'S REPORT

by **JOY S. BREWSTER**  
Rt. 3, U.S. Rt. 6  
Newtown, Connecticut  
06470

Another year is at hand. The past Specialty was a good one and acknowledgement and thanks to all who did their share.

The list of 1970 Officers and Board members will be found on Page 3.

The mailing of the proposed Pomeranian Standard Revision for a vote of the membership should now be completed with the final results being submitted to the AKC for their action.

As Secretary of the APC, I am continually receiving requests for information on Poms and Regional Clubs throughout the country. We now have a form letter to answer the majority of these requests, stressing subscription to the Pom Review and also contact with their Regional or Local Club for more local information on breeders and events in their area, and then information on joining the APC.

The current problem is that the Regional/Local Clubs have not advised me of their existence. If each Club would let me know their general territory, approximate number of members, and the name and address of their Secretary or Public Relations representative, it would help matters considerably. This information is requested whether you are a brand new group or whether you have been around for a number of years.

This information I sincerely believe will help everyone concerned. I know it will improve communications between us. Also, please advise me if you have generally a set date for your annual specialty (those who are eligible). Please be certain when writing for permission for the Specialty you include the name of your proposed judge.

How about it Clubs? Stand-up and make yourself known. We have several things to approach the Board regarding your existence this year. But I must know who and where you are.

New members accepted recently include the following:

- Mary A. Hammond, Hillsboro, Mo.
- Julia I. Phipps, Santa Rosa, Calif.
- Anne & Bob Hayden, San Carlos, Calif.
- Shirley Jones, Ft. Walton Beach, Fla.
- John & Charlotte Pipe, Schenectady, N.Y.
- Patricia Brooks, Charleston, S.C.
- Pamela Helwig, Laverne, Calif.
- Mariette Edwards, Brooklyn, N.Y.

---

### AMERICAN POMERANIAN CLUB, INC.

This club is devoted to encouraging the owning, breeding and exhibiting of the Pomeranian dog and the protection and advancement of the breed.

We are currently offering membership to all who are interested in these principles and aims.

If you are interested in joining the Club, please contact the Secretary, or if you only wish to subscribe to the "Review" contact the circulation manager. Address on page 3, Review.

## CONGRATULATIONS!

to Joy and Art Davison, owners of Ch. Scotia President Jim whose son, Scotia Pres-Jim's Beau Gem, finished at Tampa under Judge Isidore Schoenberg.

### CH. SCOTIA SPECTACULAR SABLE JEM (subj. AKC)

shown finishing championship at Ft. Lauderdale, Jan. 16 by going BOB under Judge Mrs. Albert Van Court.

This fabulous 8½ mo. old male made his breeder-owner-handler very proud finishing his championship from the puppy class on the 1970 Florida Circuit.

### Pedigree in Behind the New Champions

I wish to thank the following judges for recognizing this pup's quality and for having the fortitude to place him in the winner's circle:

Greater Datona — Judge Phil Marsh (1st puppy) . . . . RWD  
 Sara Bay — Judge Percy Roberts . . . . . BW 3 pts.  
 Manatee — Judge Anna Cowie . . . . . BW 2 pts.  
 Clearwater — Judge William Kendrick . . . . . BOB 2 pts.  
 St. Petersburg — Judge Mrs. Beatrice Godsol . . . . . BW 4 pts.  
 Central Florida — Judge Marjorie Siebern . . . . . BW, BOS 3 pts.  
 Ft. Lauderdale — Judge Mrs. Albert Van Court . . . . BOB 4 pts.  
 West Palm Beach — . . . . . (entered but not shown)

Ch. Scotia Spectacular Jem, whom I called "Toro", was sold to Betty Puerta, of Columbia, S.A., and turned over to her after the Miami show. I was happy to sponsor Betty for APC membership. Four years ago, she visited my kennel and took home with her a 4 mo. Cavilier son which she tells me has finished S.A. championship and is the sire of champions. I predict that "Toro" will win some Best in Shows for her. I hope she will keep us informed now and then with a page in the Review. Toro's sire has produced many champions, including the Best in Show winner, Ch. Scotia Atonya's Commander, owned by Mary Jane Wilson of Conn.

## COVER STORY

by RALPH and JOYCE GRAVES

1970 is the Chinese Year of the Dog and for us the dog is "Little Bear." O'Kala Kennels proudly presents our cover dog, Champion Duke's Lil Red Baron of O'Kala. A product of our first Pom litter which also produced our first Pom Champion, Little Miss Skeeter of O'Kala.

The O'Kala story began in Midland, Texas in 1963 when we purchased our first pom, Aristic Cherub's Wee Cherry from Mrs. Gladys Schoenberg. This lovely 3½ lb. bitch was shown once for a Group 3 placing. An accident ended her show career and she became the family's house pet.

We then acquired Great Danes and began to show and breed these dogs. At one show we saw a fabulous little pom, Corn's Duke Dragnoffly and introduced ourselves to Mrs. Olga Baker. We bred Duke to Cherry and was blessed with two great poms.

"Little Bear" was Best in Match at the first two Houston Pom Club's matches. Then on September 28, 1969 he was shown in his first show at Dallas and promptly won Best of Breed over Specials and a Group 3rd. To date he has won 3 All Breed Best In Show, 8 Group 1st, 4 Group 2nd, 3 Group 3rd and 17 Best of Breed.

He is shown exclusively by our good friend, Mrs. Sharon Griffin. He immediately became a favorite at the Griffin household and now bosses Sharon's Shelties.

He is also a favorite among local handlers, who promptly dubbed him "Super Pom." He is known for his nightly escapades when on a show circuit, stealing cigarettes, climbing

in drinks and eating Spanish peanuts by the pound.

Every effort is being made to show him in all parts of the country. He's been shown in the East and South and we plan to have him on the West Coast later this year.

A young stud, he has sired three litters and has others on the way. We hope to have these puppies in the ring next fall.

We are grateful for all the fine Pom people we've met and all the lavish praise our Poms have received. We are thankful for our poms, the pleasure they have given us, and the friends they have made for the breed.

---

## TWO NEW COLUMNISTS

Beginning with this issue, we introduce two new columnists to our readers. † Cathy Marx will write on Junior Showmanship, and she hopes to correspond with all you Juniors who are interested in handling a Pom in competition. † Lee Hanawalt has volunteered to take over the "Helpful Hints" department, so write her about such items. Both names and addresses head the columns.

---

## NEXT KENNEL VISIT

The next kennel visit will be to the Cabert Kennels of our A.K.C. Delegate, Bert Bedell, and his charming wife, Catherine, in Merrick, Long Island, N.Y. We hope for a record number of congratulatory ads, not only on the east coast, but countrywide — for after all, our Delegate is willing to go to bat for everyone!

THE BLACK POM BITCH

## AMERICAN POMERANIAN CLUB SPECIALTY SHOW

by SUE GODDARD

Safely seated and buckled in, on a jet, destination New York City — I turned and looked at myself and said, "What on earth are you doing here?" This could not have possibly been a worse weekend for me to leave, for after leasing a year in La Porte, Texas, we had just purchased a new home in another Houston suburb, Seabrook, and my long suffering husband was moving all our earthly belongings and 18 Poms that Saturday. For some reason he had generously (?) consented to let me go in order to hold the hand of great friend and nervous flyer, Olga Baker of Deer Park, Texas.

Best Puppy in Sweepstakes, **Westerleigh Topaze Serenade**, bred by Francis J. & Mary F. Casey, owned by Florence, Lady Conyers and handled by Susan H. Fisher. Judge, Mrs. Pauline Caldwell.

Our Specialty was worth every effort it had taken to get there. Seventy two entries with very few absentees were a sight to behold. The trophy table was beautiful thanks to the dedicated effort of our chairman, Miss Florence O'Brien.

Mrs. Pauline Caldwell graciously took over the judging of the 16 sweep-

stakes entries, due to the recent death of Mr. Hoffman, and did an admirable job of the selecting the winners. As my entry won first puppy 6-9 months, I was especially approving. First 9-12 and subsequently Best in Sweepstakes was **Westerleigh Topaze Serenade**, a recent Bermudan Champion belonging to Lady Conyers of Bermuda and bred by our President Mary Casey. She is a lovely, dainty orange.

Winners Dog, **Jeribeth's Dragonfly Dickens**, bred, owned and handled by Mrs. Olga Baker. Judge, Mr. W. C. Cook, Jr.

The regular classes were ably judged by Mr. W. C. Cook Jr. and I heard so many comment on his thorough and gentle handling of the dogs. The judging proceeded smoothly and was neither too quickly or too slowly conducted, with thanks due to Mrs. Dorothy Husted and Mrs. Carolyn De Angelo who were our ring stewards.

I was especially impressed with several young people who handled dogs; they might teach us all some handling tips. Filling in for dad was Cheryl Wine and cute as she could

be. Father Ray was unable to leave a new job. Speaking of Florida people, they all arrived on a charter bus, and they had a marvelous time dog talking all the way. Edna Girardot, who recently injured her legs and was not expected, came with the bus group — nothing will keep a dog fancier away from the shows. First timers in attendance of an annual specialty and now veteran bus travelers were Dr. Mitchell and Mrs. Geri Kabel. Faye and Cheryl Wine traveled with this group too.

It was a pleasure to see Pat Larrisey of Ohio whom I frequently saw at shows in that area when we lived in Indiana. I missed seeing several others who usually attend.

Also from Ohio were our very dear friends, Ken and Eleanor Miller. They brought four lovely entries and five additional traveling companions. (the kind with cold noses)

I enjoyed renewing my acquaintance with our Review editor, Sophie Mayes, who had a darling black pup, May Morning Hokus Pokus, who won his Puppy class, 9-12 mo. She also had a very up and coming orange puppy. Anna Cowie was with her precious youngster, Nanjo Destiny who won Reserve winners dog. He will be a champion in a flash I am sure.

My traveling companion was especially anxious to see how her grand children (dogs) were doing, since Ch. Corn's Duke Dragonfly had five children and two grand children entered, and they did him proud winning, Best of Opposite sex, Winners Dog, first American bred bitch, first puppy dog 6-9 mo., first puppy bitch 6-9 mo. and first sweepstakes 6-9 mo. The Graves two Specials

added to the list, one being the several times Best In Show dog, Ch. Dukes Lil Red Baron of O'Kala and his little sister, Ch. Little Miss Skeeter of O'Kala.

Winners Bitch and Best of Winners, Jiliz Lyra Altair V Windemerc, bred by Judith Engleborn & Joy Strickler, owned by Robert L. Goodrich and handled to this win by Faye Wine.

I was so pleased to meet Bob Goodrich of Model's kennel, and what a day it was for Bob as his dogs captured Winners Bitch, Reserved Winners Bitch and the fabulous Ch. Son of Fun swept all the way to Best of Breed.

The puppy dog class was won by a showy light orange, Hynes' Ray of Sunshine, owned by fellow Texan, Marie Hynes.

One big first was the large group of black open males whose entry of six surpassed all the other male class entries and there were some lovely specimens. Mr. Cook found his first place in Jo Art's Buckwheat owned by Art and Joy Davison and

he surely was a typy fellow. I noticed especially how truly jet black these dogs all were. Mrs. Phylliss Seeley won the brace class with a pair of her good blacks.

Winning the sable class in dogs was the entry of Probst's Sunrise Serenade. This was a tiny short bodied little guy owned by Katherine Probst.

Open Red, orange or cream was won by Jeribeths Dragonfly Dickens who went on to Winners Dog. He was owned and shown by Olga Baker. This tiny bright orange is a full brother to the Best of Opposite, and to the Millamor entry, Jeribeth's Dragonfly Deuce, who won at the Devon Specialty, so these kids really shine at the specialty shows.

Mr. and Mrs. Sedora of Castle Creek, New York were happy exhibitors with their new acquisition and I believe brand new Ch. Scotia Pres-Jim's Beau Gem, piloting him to first American bred dog and what a stylish little gentleman he was.

The open red, orange or cream bitch class was, in my opinion, extremely good, how I would have loved to take them all home. All these gals were a good size and several were already proven broods. It seemed to me that throughout the show, we saw very uniform size with few extreme tinies, and no over-size. Open bitch and subsequently Winners Bitch and Best of Winners went to Jillz Lyra Altair V. Windemere, Bob Goodrich's exciting and recent purchase. Bob may have been hoping for his Reserve winners bitch, Model's Sweet Sue, as she needed only one point to finish and is quite pregnant.

Finally I come to the tremendously competitive Best of Breed as fourteen champions and the winners dog and winners bitch filled the ring and what a breathtaking sight this was! Every dog and bitch was in full glorious coat and handsomely groomed with dogs and bitches almost equal in number. I think we all shared great sympathy with our Judge as he tried to decide which was best on this particular day with anyone of a dozen choices that could safely be made with no fear of criticism.

Best of Breed, Ch. Model's Son of Fun, bred and owned by Robert L. Goodrich and handled by Marlene Scott. Judge, Mr. W. C. Cook, Jr.

In the ring for consideration was Ch. Corn's Duke Dragonfly, number one Pom in the nation for two consecutive years, his fabulous winning son, Ch. Duke's Lil Red Baron of O'Kala, Mrs. Mary Jane Wilson's darling, profusely coated, Best in Show dog, Ch. Scotia Atonya's Commander. And I was pleased to Michael Wolf's lovely Ch. Tomahawks Little Joe and he was very much in the running this day. The grand old man, Ch.

Leader's Little Buck-A-Roo was proudly presented by his owner Ina Kniffen. Bob Goodrich showed his personal favorite, group winning Ch. Model's Magic Timstopper. Looking so exactly a duplicate of her handsome father, Bob's Timmy, was the Millamor entry of Ch. Millamor's Merry Mischief.

Best of Opposite Sex, Ch. Jeribeth's Golden Duchess. (L to R) - Judge Mr. W. C. Cook, Jr.; new owner, Sam L. Zaneoff; handler, Hermaine Cleaver.

Another bitch I was so pleased to see was Ch. Bonner's Fanfare Fashion owned by Catherine Marx who was our Winners bitch last year and she certainly is lovely.

Petite and darling was Edna Girardot's Ch. Scotia Cavalier's Hello Dolly.

After several audible sighs Judge Cook gave the nod to Ch. Model's Son of Fun who was flawlessly handled by beautiful Marlene Scott, and to the joy of the new owner, Sam Zaneoff, the Best of Opposite Sex went to Ch. Jeribeth's Golden Duchess who had been shouting "Look at Me" throughout much of the judging.

Best Puppy in Show, Sedora's Randy Tango, bred and owned by Geraldine Sedora.

Our day was nicely capped off by a marvelous dinner graciously arranged by Marjorie Bullwinkle and Florence O'Brien. I suddenly discovered that I had had nothing to eat all day and practically ate the china too.

With finesse and great humor, Bert Bedell awarded the many championship certificates to those who had earned them. Our evening ended abruptly as we rushed to barely make our connections and I realized with a pang that I still had so much to talk about and listen to; guess I must return next year.

There were so many other fine dogs and wonderful people, but they said a column and not a book, so my apologies to those I failed to mention.

Now a week later, with Sophie's warning that I rush this in, I feel it must have been a dream, and how eagerly I look forward to dreaming it again.

## JUDGES REPORT

### American Pomeranian Specialty Show

It was an honor and a privilege to judge the 1970 American Pomeranian Club Specialty which was held in the Grand Ballroom of the Hotel Penn-Garden in New York City. The host club should be congratulated on its effort to round up entries and trophies, for as was the trophy table beautiful, so were the entries. The majority of the credit should go to the Show Chairmen, Miss Marjorie Bullwinkle and her committee; Mrs. Catherine Bedell, Mrs. Phyllis Seeley, Mrs. Gloria Setmayer, Mrs. Marlene Scott and Mrs. Dorothy Husted who so ably assisted me as ring steward. The President Mrs. Mary F. Casey is also due congratulations for her efforts. She was very pleasant, hospitable and effective presiding officer at both the Annual meeting, which was prior to the class judging, and the banquet which followed the show.

The banquet was a pleasure for it afforded me the opportunity to meet some of the top Pomeranian breeders in this country and in Canada as it too was well represented.

Mr. & Mrs. C. C. Blanchard, friends from Charleston, S. C. and my wife Marian enjoyed the show and the banquet and would like to thank the host club for a great deal of pleasure and for making us feel welcome.

Best in puppy class was won by Geraldine Sedora with Sedora's Randy Tango, a nice young bitch which should also make a good brood matron.

Winners dog was awarded to Jeribeth's Dragonfly Dickens owned by Mrs. Olga Baker. He was hard pressed by Nanjo Destiny owned by Joan E. Cowie. Both were small lovely dogs with beautiful expressions. Though

there was no similarity in their breeding, they looked like two peas in a pod. These two dogs offered me my most difficult decision in the classes, as neither dog should have any difficulty in finishing his championship. Both Mrs. Baker and Mrs. Cowie should be very proud of their dogs.

Winners Bitch and Best of Winners was won by Jillz Lyra Altair V Windemere a beautiful Pom owned by Robert L. Goodrich who also owned the Reserve Winners Bitch. His winner had good expression, coat, profile and was a real showman. And his Reserve Winner, Model's Sweet Sue had a full and abundant red coat. Mr. Goodrich is very fortunate to have these two bitches, as both should finish with no difficulty and both have adequate size to make good breeders.

Best in Veteran Class was a knock-out; Ch. Leader's Little Buck-A-Roo owned by Mrs. Ina F. Kniffin. Here is a dog at nine years of age and is still beautiful. His coat is magnificent and his profile the ideal. This was my first opportunity to see this outstanding champion and it is little wonder he has established the winning record that he has. Mrs. Kniffin, I'm sure that he is a joy to you.

Best Stud Dog was Ch. Corn's Duke Dragonfly owned by Mrs. Olga Baker. Here again, was an outstanding Pom. A wonderful coat, profile, and expression. It was easy to see that he is an outstanding stud dog, as his young were also exceptional. Again, this was the first time I had seen this wonderful champion, and I would like to thank Mrs. Baker for the opportunity.

## THE POMERANIAN CLUB OF GREATER HOUSTON

by OLGA BAKER

Our fine Club Secretary, Marie Hynes, has willingly offered to provide news from our Houston Pomeranian Club for the POM REVIEW for each issue. For this issue, she has asked that I write a brief report on that wonderful EVENT OF THE YEAR, the annual Specialty of the A.P.C. Officers of the Club had already invited one of our busiest Club members, Sue Goddard, to write up the Specialty, so her complete report will be within this issue for everyone to enjoy. I shall try then not to be repetitious but would like to, specifically, credit some of our Houston members for nice accomplishments. Imagine ANYONE actually offering a TEXAN the opportunity to BRAG!!! And now you have not one Texan, but TWO . . . (Tim and Sue Goddard are "transplanted Texans" . . . the best kind!! believe they would be quick to tell you Texas is pretty great!)

This was my third year to attend this wonderful and exciting show. Many of you have attended for years, many of you have never attended. Ordinarily, checking into a hotel with dogs, exercise pens, luggage, etc. is drudgery to dog people, certainly uneventful! *Not so* at the Penn-Garden in New York. Pom people are everywhere, and the whole thing has the feel of a family reunion. Early Saturday morning everyone is arriving; elevator doors part and out comes someone you know, someone you've seen pictures of, someone you've corresponded with, or an old friend!! Enter the coffee shop for a much-needed cup of coffee and there sit all the "folks" . . . a real feel of "everyone glad to see everyone". Everyone has had a

trip of some kind . . . by car, by plane, by bus and just about everyone is WEARY!! But there is too much excitement to even consider sneaking off for a nap. Phones begin to ring, raps are heard on doors, loud greetings are everywhere, everything buzzes. All of Saturday into late night, there is socializing of the grandest kind!!! But all this is just a prelude to the big show on Sunday.

The ballroom is arranged for the show, trophy table lovely, ring set up, chairs set up, and beautiful little poms are everywhere!! On with the show . . .

At this point, since our good Secretary specified, "*Brief, Olga*" (knowing that is not possible for me) . . . I'll leave the remaining details to the Specialty Reporter, Sue Goddard, and get on with my happy duty of honoring some of our Texas members for nice wins at the show. Texas SHONE in EVERY class to enter the ring. Puppy Class, 6 to 9 months in the Sweepstakes was won by the showly little TIM-SUE'S SHOO-FLY, owned by Tim and Sue Goddard. SHOO-FLY repeated the win in the lovely class of 6-9 month puppies in regular classes. Then the exciting class of puppy dogs, 6-9 months, was won by HYNES' RAY OF SUN-HINE, a beautifully-coated male, owned proudly by our Club Secretary, Mrs. T. J. Hynes. At this point, my Texas humility forces me to say only that my own little dog, JERIBETH'S DRAGONFLY DICKENS, was Winners Dog for 5 big points!!! I can say, however, that my mild excitement almost necessitated retrieving me off the roof of the Penn-Garden!!!

The Specials Class was phenomenal to see!!! Exquisite dogs from all across the nation . . . in their glory so exciting to watch that if you

happen to be in the ring with them, it is almost impossible to concentrate on your own dog and keep your eyes off the others. It was not a "Texan" that captured the coveted Best of Breed, but nonetheless, I cannot help but congratulate the wonderful little CHAMPION MODEL'S SON OF FUN, a dog I've much admired, owned by Bod Goodrich, and handled by lovely Marlene Scott. A well-deserved win, and a popular one for Bob and for Marlene. Best of Opposite Sex was CHAMPION JERIBETH'S GOLDEN DUCHESS, our precious spunky little showman so nicely handled by Hermine Cleaver. I feel more free to boast a bit for "Duchess", as she is actually no longer ours, but has recently been sold to Mr. Sam Zaneoff of New York.

Sue and I had to "board up" on one of those awful "birds with the golden tails," or whatever they call them, to get back to Houston Sunday night. But soon a report came from the Garden that another of our little "Texans", CH. LITTLE MISS SKEETER OF O'KALA, had gone Best of Opposite Sex. "Skeeter" is owned by two of our fine Club members, Ralph and Joyce Graves.

In addition to the nice show wins, I would like to personally congratulate some of our Houston Club members for the nice awards presented by the A.P.C. to members. Championship certificates were awarded at the dinner to: Mrs. Daniel Smith, Mrs. Leo Holder, Miss Molly Miller and Mrs. Darrell Baker . . . all members of the Pomeranian Club of Greater Houston.

All you nice people should be careful. You've lavished your warm hospitality on us so freely, that we may gather up, pack up, and come

to New York EN MASSE next time. Thanks again to everyone. It was grand!!

---

### WESTMINSTER WINNERS

Bod Goodrich's Ch. Model's Son of Fun made it two in a row by taking BOB at the Garden under Judge, Edd Bivin, handled by Marlene Scott. Best of Opposite Sex was won by Ralph & Joyce Graves' Ch. Little Miss Skeeter of O'Kala, handled by Sharon Griffin.

---

### SHOW NEWS

The Ohio Pom Club sponsored the entry at the Western Reserve K.C. Show Dec. 14. 1969. Ch. May Morning Echo of Highland was Best of Breed, and his daughter, Windsweet of Highland, went Winners Bitch (5 pts.) and also Best of Opposite Sex. Judge was Kenneth Miller.

Ch. McKamey's Just A King was BOB under Judge Louis Murr and FIRST in Toy Group under Judge Phil Marsh! at the Southeastern Iowa all-breed show, Feb. 15, 1970. He is owned by J. and L. Chittenden of Des Moines, Iowa and handled by Mrs. Chittenden.

---

### SHOW NEWS

We do not solicit news of show winnings EXCEPT Best in Show, Group placements, Specialty Show BOB, BOS, WD & WB. All other wins should be reported to your area Pom Club Secretary and to Review COLUMNIST in your area. ,

## COLUMBIA POMERANIAN CLUB SPECIALTY

by MARGARET S. COLEMAN

The Annual Specialty of the Columbia Pomeranian Club, Inc. was held on Jan. 10, 1970 in the newly remodeled Multnomah County Expo Center in North Portland, Oregon. This is a dogshowman's dream with its spacious rings and handlers area and non-slip floor. The trophy table, centered with a huge bouquet of orange gladiolus on the club's green and gold banner and surrounded by tall, slender, goldtone trophies, made a very impressive display.

The judge, Mr. James Ryan, is a former breeder who imported much of his original stock from England. He is a very capable judge and did an excellent job. He selected as his winning dog, an outstanding black, *Midnight of Point Loma*, owned by Dr. & Mrs. Charles Wilson of Naches, Washington and expertly handled by Eugene Hahnlen. His selection as winning bitch was a lovely orange, *La Rita's Kandy With A K*, handled by her breeder-owner, Rita La Verne. *Kandy* presented an outstanding picture in the ring with her profuse coat, long tail, and high tail carriage. In fact, he liked his class dogs so well that he gave *Kandy* Best of Breed and *Midnight of Point Loma* Best of Opposite Sex over three Specials. He awarded Best Puppy to a peppy little orange female, *Wilma's Lollipop*, owned by Mr. & Mrs. L. E. Coleman and handled by L. E. (Bud) Coleman. He gave the Best Stud Dog award to *Joy Le Compte's* beautiful black Ch. *Goldpaz Jonnie Midnight*.

After the show, the judge and Mrs. Ryan were guests of the Club for steak dinner at the Red Steer Restaurant. Mr. Ryan commented on the excellent quality of the competition,

*LaRita's Kandy With A K*, bred, owned and handled by Rita M. LaVerne, went from the Open Bitch Class to Best of Breed over 3 Specials. She finished her championship with this win. Judge, James Ryan.

the several outstanding blacks, and the pleasure of finding so much quality in a female large enough to breed. This win finished *Kandy's* championship, subject to A.K.C. conformation.

Winners Dog and Best of Opposite Sex over Specials, *Midnight of Point Loma*, owned by Dr. & Mrs. Charles Wilson and handled by Gene Hahnlin. Judge, James Ryan.

Best Puppy was **Wilma's Lollipop** owned by Mr. & Mrs. L. E. Coleman. Judge, James Ryan.

## CONGRATULATIONS

to Rita La Verne  
and her new Champion

## POMERANIAN CLUB OF FLORIDA (MIAMI AREA)

The Pomeranian Club of Florida (Miami Area) held its twentieth Specialty Show on January 17, 1970, with Mrs. Giorgiana Lane judging.

Winners Dog for 3 points was Da-Ron-Da's Mr. Bounce, owned by Mrs. David Berg. Winners Bitch, also 3 points, Poinciana Cavana Trulyfair, owned by Mrs. R. E. Insko, also Best of Winners. Best of Breed was won by Ch. Scotia Cavalier's Hello Dolly, owned by Edna E. Girardot (pictured), and Best of Opposite Sex was Ch. Corn's Duke Dragonfly owned by Mrs. Olga Baker. The entry was 9 dogs, 7 bitches and 3 Specials.

**Ch. Scotia Cavalier's Hello Dolly** BOB Pomeranian Club of Florida Specialty Show. Bred, owned and handled by Edna E. Girardot. Judge, Mrs. Giorgiana Lane.

## JUNIOR SHOWMANSHIP

by CATHY MARX

4509 Wyoming

Kansas City, Mo. 64111

Mrs. Casey has invited me to write this column, as it is her belief as well as that of all sincere fanciers that the future of the breed depends on the cultivation of its young exhibitors. To make it a success I need your help. Send in reports of your wins in the junior classes while handling a Pomeranian. Express your views on the Jr. classes and how they are judged. I am sure Mr. Bedell would be most interested in your ideas since the recent A.K.C. recognition of Jr. Showmanship. As your delegate he is in a position to express your feelings concerning the many changes that will be coming into effect.

Unfortunately, the number of junior handlers exhibiting Pomeranians is very small compared to other breeds. Last year not one person handling a Pom made the five qualifying wins to compete for the Leonard Brumby Sr. Trophy at Westminster. Clubs holding specialty shows can help their young members by offering Jr. Showmanship classes at all point shows.

Winners at the A.P.C. Specialty on Feb. 8, 1970 were: 1st - Cheryl Wine of Clearwater, Fla.; 2nd - Sandy Sedora of Castle Creek, N.Y. Cheryl also qualified for Westminster showing a Min. Schnauzer and was selected as a finalist for Jr. Handler of the Year.

Be sure to send in all information and ideas on Junior Showmanship and they will appear in this column.

**Ch. G. E. Timstopper Again**

Stud Fee: \$50

### Great Elms Kennels, Reg'd.

We congratulate Bob Goodrich for his outstanding wins at the New York Specialty and the Garden with his Ch. Model's Son of Fun. Also for his BW win with his bitch Jillz Lyra Altair V Windemere and RW win with Model's Sweet Sue.

Congratulations also for Sweet Sue's final championship points at Winston-Salem February 13th.

We cannot resist stating that the sire of these 3 poms is pictured in this ad.

## A VISIT WITH JOY AND ART DAVISON AND THE JO-ART POMS

by RICHARD A. BALL

If a poll were taken to determine the friendliest, most helpful and best liked couple in the Southern California Pomeranian fancy, the names of Joy and Art Davison would undoubtedly be near the top of the list. Engineer Art and housewife Joy with the Jo-Art Poms are almost certain to be found at any show or match held in Southern California. At each of these shows you will see ample evidence to back up my opening statement. Need Help in handling that extra dog? Joy or Art will take it in for you. Are you a novice whose dog needs a bit of last minute expert trimming? Art, who is a master at putting a Pom down looking it's best, will work his magic on your dog. Need advice? If they have the answers Joy and Art will gladly supply them. The Davisons are ideal exhibitors, always showing dogs in immaculate condition, accepting defeat gracefully and what is sometimes more difficult accepting wins just as gracefully.

The home of JoArt's Poms and the gang.

The Jo-Arts are a classic example of the way in which most of us began in dogs. Joy saw a small bundle of Orange fluff, fell in love with it and took it home. Naturally this puffball just happened to be a female. She grew up and naturally came in season and naturally — but you know the rest of the story. The original pet is still very much on the scene at Jo-Art's, helping to keep the younger generations in line. The word kennel actually has no meaning in connection with the Jo-Arts. There is no kennel. The dogs are all a part of the household along with the three boys. Naturally with three youngsters and their many friends constantly around, the Poms grow up fully used to people, a great asset when their Poms are going to new homes or to shows.

Since the Jo-Arts are a hobby kennel which is still quite young in comparison to many of you, there is not a long string of famous dogs of by-gone days to mention. They are not looking back but forward. The Davisons have been busy gathering

JoArt Poms get their share of sunshine.

together a small group of very select foundation stock. Just as many newcomers to any breed do, they have purchased promising stock, both puppies and mature animals, only to discover that when the chips were down these Poms did not measure up to the rigid requirements which Joy and Art had set for themselves. This means that quite a few Poms have passed through their hands in the reasonably short time in which they have been in the breed. These were found a new home and the search for ever higher quality Poms continued. In fact, Joy has asked me to bring back from England a Top Show male for her in April; when I plan to combine a much needed vacation — Judging assignment and dog hunting for Joy as well as for others. If I am lucky enough to find a Top Show male for them, this would certainly round out all of the top bloodlines at Jo-Art's from which they hope to establish the "Jo-Art's Strain."

Pride of place at Jo-Art's must go to Champion Scotia President Jim. This small beautifully bred, dark Orange is siring magnificent, tiny puppies much like himself, both for his owners and for other breeders. Fury, as he is called at home, is a dog of great type with the correct head, tiny highset ears and short back. Along with sound movement, he carried a big coat of the proper texture. Their other Champion is Kildare's Wee Dorian, another small bright Orange with a profuse coat. Dorian has a short face with a beautiful expression, this combined with a cobby body, makes for a very handsome overall appearance.

Two new male show-stoppers are coming along. The Black, Jo-Art's Buckwheat already has a Best-In-Match at the big Golden West Dog

Club All-Breed Match this past Spring where he defeated the cream of the West Coast youngsters in many breeds. The other is a brilliant Orange, Jo-Art's Treasure of Nanjo, a youngster for which a bright future is predicted by many knowledgeable Pom people.

JoArt's Treasure of Nanjo

Two top winning females are also keeping the Jo-Art's pre-fix to the fore-front in the show ring these days. Both Jo-Art's Little Gypsy owned jointly with Judy Bayley owner of the famous Hacienda Hotel in Las Vegas, and All-Star's Hadleigh Dolita have nearly all necessary points towards their championships. With luck Jo-Art's should have at least two new Champions during 1970.

My friendship with Joy and Art began at a Puppy Match where I saw a seven week old Black Pom puppy shown by Pauline Hughes. With not the vaguest notion of buying a Pom, particularly a Black Pom, I could not resist this animated wind-up toy. All of the Pom breeders at the Match agreed that this puppy was outstanding — but — Blacks simply do not win. Only the Davisons of all the exhibitors present were encouraging.

The puppy won the heart of a friend Elizabeth Jack Rabara, well known Toy Poodle exhibitor who now co-owns him. The puppy lived

up to his promise and has become the first Black Pom to win a Group in many years. He is of course Champion Arsenal Imp of Point Loma. Joy and Art knowing that I am the world's worst handler, with their characteristic kindness, offered to show Impy for us. Often having to forego entering one of their own dogs in order to show Impy, they campaigned him against all competition.

From left to right: Joy, All-Star's Hadleigh Dollita and Ch. Scotia's President Jim.

The high point was when Impy came from the classes at the big Santa Barbara show to place second in the Toy Group to the great Peke, Champion Dan-Lee Dragonseed at that time, he was the top winning Toy dog in the country. Impy and the Davisons became familiar figures, getting a point or two here and there but more often than not taking Reserve to oftentimes mediocre Oranges. Then in a few short days under three noted Toy specialists the Davisons piloted Impy to three Major wins and the title. Now they have

their own promising Black Jo-Art's Buckwheat and I wish them all the luck in the world with him.

Armful of Joy

I have been associated with many groups of fanciers during the past thirty years, while making Champions in six breeds. None of these groups has been more friendly or helpful than the Pom fanciers and of the many friendly and helpful individuals in the Pom Fancy, I nominate Joy and Art Davison of the Jo-Art Pomeranians as two of the finest.

---

### NEWS FLASH!!!

A Pom Brace was Best Brace in Show at the Golden Gate Kennel Club Show Jan. 31, Feb. 1, 1970! Ch. McKamey's Perfection O'Gold and Ch. J. and H. Irene, owned by Mrs. Hazel I. Grose of Santa Rosa, California, won their third Best Brace award at the Cow Palace. They have been entered in only 3 shows, so they are batting 1000. Mrs. McKamey writes, "The male is a son of my Ch. Just Gold and the female a granddaughter of his. Mrs. Grose says they are identical in color,, showing and action."

gional Clubs are the pulse beat of the National Club and the more local activity the more National Interest.

In closing I want to Thank Marjorie Bullwinkle, our 1970 Show Chairman, Florence O'Brien, our 1970 Trophy Chairman, Bill McCoy, our 1970 Advertising Chairman and all

the Officers, Directors and members of the Club who helped make Our 1970 Specialty Show so enjoyable.

Hope all of you will plan to spend part of your 1971 vacations attending next years Specialty.

**MAY 1970 SET A RECORD FOR POM CHAMPIONS AND MAY OUR BREED CLIMB BACK UP TO A PLACE IN THE TOP TEN.**

## CH. BONNER'S STYLEPEPPER PRESHUS

4/12/63 - 11/21/69

STYLEPEPPER

After Stylepepper's recent death, it has been difficult for me to review his achievements, or even face up to the fact that he is gone. Such a great little dog comes only once in a lifetime, and I never expect to be so blessed again. He was campaigned briefly and bred infrequently in his short span, but his averages on both are difficult to surpass. Siring about 60 live puppies, about a third are champions, many more have points, and a number will finish in the future. Stylepepper was a stud who carefully chose his mates with so much discrimination that his get was limited, but his prepotency was so strong that champions came from every litter. His last puppies were born on Dec. 20th out of Ch. Bonner's Pepper-K Gold Mist by a planned Caesarian section to insure their safe arrival. I am thankful for a plentiful heritage of his sons and daughters.

Stylepepper was shown a total of 14 times with 13 BB, 11 group placements, 5 Toy Group wins, and 4 Best-in-Shows. I shall never forget

how proud I was to take him to a Best-in-Show Win at 12 months, his first show. It is regretful that he was not campaigned more extensively. A brilliant orange, at 4 pounds, with tremendous coat, beautiful legs and perfect soundness, he moved with an exaggerated hackney gait, chest forward, head held up and so far back that he never saw the floor. Proudly flaunting his high self-opinion, his carriage and movement always captured the hearts of on-lookers, and many judges pronounced him a near-perfect example of the breed.

**DOROTHY BONNER**

## NORTHERN CALIFORNIA POMERANIAN CLUB HAPPENINGS

by CHUCK REYNOLDS, President

Northern California Pom Club Specialty

Winter is past and what a busy winter it was in "Sunny California" by the Golden Gate.

The N.C.P.C. Annual Christmas Party and Awards Banquet was well attended with a marvelous time had by all. A "Happy Hour" was followed by a lovely dinner. The Guest of Honour was Jean Bobbitt, Chief Ring Steward at many of California's gigantic All-Breed Shows. Mrs. Bobbitt presented the beautiful Plaques given to the Winners of the 1969 Northern California Pomeranian Club Annual Awards. Those who received awards were as follows:

- FEMALE POMERANIAN, owned by a member, having won over the highest number of Pomeranians in competition during 1969 — WAGONER'S SHAWNA OF MISSY owned by Valeria and Paul Wagoner.

- MALE POMERANIAN, owned by a member, having won over the highest number of Pomeranians in competition during 1969 — CH. ELSIE'S LITTLE YOGI BEAR owned by Elsie Cablis.

- TOP POMERANIAN, owned by a member, having done the greatest amount of winning at A.K.C. All-Breed Shows in 1969 — CH. ELSIE'S LITTLE YOGI BEAR owned by Elsie Cablis.

● **TOP BREEDER (A Tie)** Members having bred the highest number of Pomeranians completing their Championship Titles during 1969 — **SHIRLEY HOFFMAN** and **BETTY NAPRSTEK**.

● **TOP EXHIBITOR (A tie)** Members having exhibited the highest number of Pomeranians to Championship Titles during 1969 — **BETTY NAPRSTEK** and **SHIRLEY HOFFMAN**.

● **TOP OBEDIENCE EXHIBITOR**, Member having exhibited the highest number of Pomeranians to Obedience Title during 1969 — **VALERIA WAGONER**.

● **SPECIAL AWARD** was given to **CH. SUNGOLD'S GAY CAVILIER** for his outstanding record as a Sire of Champions. He is owned by our Florida member **Edna Girardot**.

● **DISTINGUISHED SERVICE AWARD** was presented to **MRS. DOLLY TRAUNOR** for her outstanding contributions toward the betterment of Breeding, Health, Welfare, and Sport of All Pure Bred Dogs.

● **DISTINGUISHED SERVICE AWARD** was presented to **CHUCK REYNOLDS** for having contributed the most "Above the Call of Duty" toward the Activities and Objectives of the Northern California Pomeranian Club. (This writer felt very humble in receiving this award along with a beautiful Fire Opal carved into a Pomeranian which was donated to the Club for presentation to the winner of this award. It was carved and donated by **Vernon and Joan Sanders**. I so appreciate and treasure this valuable gift.)

Next on the busy schedule for N.C.P.C. was the Winter Specialty in conjunction with the fabulous two day Benched All-Breed Golden Gate Kennel Club Show held in the famed San Francisco Cow Palace. When we say Benched we mean "Decorated Bench" and we certainly were in splendid decor this year. The decorations were done with a Valentine theme which won the "Hearts of All". This lovely display was designed and set up by our members **JULIE AND GONZY MORENO** with **ANN AND BOB HEYDON**. Much technical assistance was given by **SHIRLEY HOFFMAN**. One could enter the hall containing over 2,700 benched dogs and was immediately drawn to us without having to ask, "Where are the Pomeranians?"

The N.C.P.C. Specialty Judging was done on the first day of the Show with popular Judge Maxwell Riddle making his decisions known to a very large ringside gallery. Each Pom placing was presented with one of the exclusive Pomeranian Ceramics designed by **Helen White** for the N.C.P.C. The Best of Breed and Best Opposite Sex was presented a lovely imported solid brass Fondue brought over from the Orient by the Hoffmans.

Judge Maxwell made the following selections from the Classes:

● **Puppy Dogs 6 to 9** — **GOLDEN GLOW LONESOME GEORGE** owned by **Vernon and Joan Sanders**.

● **Puppy Dogs 9 to 12** — **CE LOU'S LI'L CAV'S L BERNSTEIN** owned by **Louise Jo Rosbury**.

● **Open Dogs** — **HADLEIGH LITTLE TRIVE** owned by **Valeria and Paul Wagoner**.

**Aristic Cherub's Wee Cherry (Dam)**

Wee Conquest of Waverly

Aristic Cherry Fireglow

Aristic Sweet Little Maizie

**Judge's Report (con't.)**

The Brace Class was won by two nice blacks owned by a very lovely lady, Mrs. Phyllis W. Seeley.

Best of Opposite Sex was won by Ch. Jeribeth's Golden Duchess owned by Olga and Toni Baker. A lovely bitch with good coat, head and expression, and what a showman!

Best of Breed was Ch. Model's Son of Fun owned by Robert L. Goodrich. It was at this point that the decision was the toughest. The quality of the specials was fantastic. Where else can one go and see several BIS Poms in one ring? There were fourteen champions exhibited and beautiful they were. It was difficult for me as I felt there were nine really outstanding dogs, but the lovely deep red color, the overall appearance, the good movement and showmanship, and also the exceptional coat texture of Ch. Model's Son of Fun made that decision less difficult.

---

### — NOTICE —

We would like to print the list of ALL regional Pom Clubs in the July issue, with name and address of each Secretary. We ask for their cooperation in sending information to the Parent Club Secretary, Joy S. Brewster (address on Page 3) and/or to the Editor. THANK YOU!

**WE APOLOGIZE . . .**

We offer our sincere apology to Ralph and Joyce Graves and to Barbara Holder for printing a serious error in each of their full page advertisements in the January Review — the names of their NEW CHAMPIONS were incorrect!

We are happy to reprint both ads, on the two following pages, in partial recompense, so readers can correctly identify these beautiful new Texas champions.

Once again, thanks to the APC for the honor of judging and congratulations to all of those who helped to make this the successful show that it was.

Respectfully submitted,

**WILBUR C. COOK, JR.**

## MID - WEST REPORT

by **STELLA B. DAVIS**

WEEGOLD POMS

7477 Old Troy Pike

St. Paris, Ohio 43072

Time seems to be going very fast these days. As I am writing this, we are well into the second month of the New Year which brings us Valentine's Day and thoughts of sweethearts. The 1970 Pom Specialty Show is old history now too.

As I sit here trying to think of something interesting to write about my thoughts go back a short ways to a recent match where a young couple were trying to show their Pomeranian puppy of about six or seven months of age. This was a nice one while nestled in the security of the young ladies arms but while on the table for examination, as the judges came nearer, it was a different story.

This brings to mind, are we giving our pups the right start? I know most breeders feel that they are giving their pups everything for a good start in life. Sure we all see that they get proper shots, nourishment, vitamins and in general feel that we have done everything that can be done to raising a healthy puppy, but have we??? What about developing temperament? There is more to raising puppies than just seeing they have the correct amount of food. We must raise our pups to adjust in this world. A youngster has to make great adjustments and be able to cope with numerous things. If we stop and think about it a moment, this strange world our pups are expected to spend the rest of their lives

in, can be a terrifying experience. Therefore I feel it is most important to start the development of their temperament before they are weaned. We raise our pups in our bedroom and also in a corner of the kitchen. In this way the pups are where we spend most of our time. They become adjusted to all the noises of radio and TV and also to the sounds of pots and pans banging and to the noises of everyday living.

We pay particular attention to a puppy that shows resistance to noise, handling, etc. Then this pup is handled more and exposed to all sorts of noise and confusions. I don't feel that a pup should be isolated or forced to live most of the time with other dogs instead of people. Along with giving him affection, we want to keep them mentally alert. Our pups know our voice at a very early age.

So I feel it is up to us breeders to see that our puppies are healthy, well adjusted to life, before they go into their new homes. Remember a novice, with no experience, can ruin a nice puppy with improper handling and training. A little training before our pups are sold would help a great deal towards their adjusting to the big outside world.

And now to some show news — Had a card from Pat Larrissey and she wanted to make sure it was known that George Sosinski finished his first champion called Lucky Warrior at Gambler. Congratulations George and many more!! Sorry I don't have the rest of the winners at Gambier, Pat.

At Muncie, Indiana, winners dog and best of winners to Mr. & Mrs. James Coy's new male, Skylark Keen Coy Banner. "Keeno" was handled by Bill McCoy. Good luck with this new youngster!

Lima, Ohio sure picked a cold, snowy, miserable day for their show. Poms were scarce too. Only 5 Poms entered with one absent. Mr. Stephen Pastierk gave winners dog and best of winners to Eleanor Miller's Jeribeth's Dragonfly Deuce. Reserve winners dog to Ruth Doctor's Lad's Imp of Gold Glory. Winners bitch and best opp. sex to Windsweet of Highland owned by Patricia Hopkins and her Ch. May Morning Echo of Highland took best of breed.

The next day at Columbus the sun came out smiling and melted all the snow left from the day before. Mrs. Mildred Heald substituted for Mrs. Carl B. Cass. There was an entry of 8 Poms with winners dog going to Jean Brown's Gay Style Skipper handled by Bill McCoy. Reserve winners dog to Jeribeth's Dragonfly Deuce. Winners bitch and best of winners to James M. Coy's Petticoat Princess handled by Vicki McCoy. Best opp. sex to Patricia Larrissey and her Ch. Tomahawk's Red Face. Best of breed to Ch. May Morning Echo of Highland.

Mr. Kenneth Miller judged our breed at Western Reserve K.C. show held in Cleveland, Ohio. Good entry of 23 Poms being supported by the Ohio Pom Club. Winners dog and best of winners to Jackie Klein's Silver Meadows Sir Sun Charm. Winners bitch and best opp. sex to Pat Hopkins Windsweet of Highland. Best of breed went to her Ch. May Morning Echo of Highland. This was a 5 pt. major for both sexes.

Agathon K.C. show at Massilon was judged by Mrs. Van Court. She found her winners dog in Jeribeth's Dragonfly Deuce owned by Eleanor Miller. Winners Bitch, Best of Winners and Best of Breed to Windsweet of

Highland. Pat is having a ball showing this girl! Best opp. sex went to E. Millers Ch. Models Daktari.

The next day at Mc Kinley K. C. show held in Canton, Mr. Joseph Faigel found his winners dog and bitch same as day before but gave best of winners to the male. Best of breed went to Ch. Models Daktari and Windsweet was best opp. sex.

Had a nice letter from Mary Hammond telling of her recent wins. At the St. Joseph show she entered a little male by the name of Rosewood's Casanova in the bred by exhibitor class (his first show). He went thru to best of winners for a 5 point major. She says he is a high stepping little prancer who stole the hearts of all who saw him, especially the judge Clara Alford. Rosewood K's. are looking for some Champion Corn's Duke Dragonfly off-spring. Will probably be here by the time this is being read. They also have a bitch, Rosewood's Mity Sweet O'Timsun who just needs a major to finish. Sounds like things are fine over your way and thanks for writing Mary.

At the recent Marion, Ohio show judge Miss Frances Angela gave winners dog, best of winners and best of breed to E. Millers Jeribeth's Dragonfly Deuce. Winners bitch to Davis' Weegold Goody Goody owned by your writer. Reserve winners bitch to Millamor's Stylelady.

Don't forget — send me your NEWS. See you all at the shows!!!

## WESTERN ROUNDUP

by **JOHN THYSSEN**  
14810 Raymer Street  
Van Nuys, California  
91405

If it seems that I'm writing an annual column, that isn't the way it was intended. I have had problems finding competent help, and so this has left me with a boarding, grooming, conditioning kennel plus my show dogs, shows almost every weekend and a training class. Things seem to be settling down now, so you will see Western Roundup every issue again.

1969 was a very good year for Poms, with many Group and Best in Show wins. Number One Pom in the nation (Kennel Review System) was Ch. Elsie's Little Yogi Bear and number one bitch was Ch. Mar-Bi-Lea's Gay Cinderella. Now let's not forget those boys from Texas, Ch. Corn's Duke Dragonfly and Ch. Duke's Lil Red Baron of O'Kala. They are the father and son team that are doing Texas and the Pomeranians A O.K.

I attended the Columbia Pom Specialty in Portland, as I do every year, and the setup was as nice as always. Non-slip floors — it's great. The judge was Mr. James Ryan who resides in that area. Perhaps my idea of what Poms should be is completely wrong . . . but I feel he completely missed one of the best Poms in competition, a bitch owner handled, and did not even put her Reserve. The next day, she was Best of Winners (4 pts) and her following

show (The Am. Pom Specialty in New York) she was Best of Winners again.

The following day at Oregon Dog fanciers, Mr. C. L. Savage judge, I had 3 entires and did not win with any of them, but could definitely follow the judge's decision and understand why he was doing what he was. Best of Breed was a lovely orange bitch, Ch. J.&H. Irene, WD Shaunatuma's Wee Tinker Toy, Billie Daws owner, handled by John Brown. WB and BOW Jillz Lyra Altair V Windemere, handled by co-owner Joy Strickler. This bitch was sold to Mr. Robert Goodrich and as I mentioned above was BOW at the APC in New York.

Speaking of New York, I finally made the shows there. I had entered the last two years and had my entries drop their coats right before the show. This year, I entered no Poms, and Ch. Queenaire's Cinnamon Twist ended up in full coat at the time. Oh well. I did enter a champion Yorkie at the Garden and was Best of Breed and Group 4th, entry 49, 25 Specials, so all was not lost. I met many nice people I had only read about or seen pictured in Pom Review, etc., and had a nice time watching the Specialty until I had to run a block away to show a Yorkie. I did get back in time to view the beautiful class of Specials and see many dogs that I had wanted to see. For those of you that are wondering, "Yes, that blonde lady is as pretty as her picture, and so is the red dog she handles." Best of Breed at the Specialty and also at the Garden went to Ch. Model's Son of Fun, Robert Goodrich owner, Marlene Scott handling. Judy Bayley and Joy Davison were very happy to win Best of Winners at Westminster with JoArt's Little Gypsy, handled by Joy.

New York weather was very pleasant while I was there and I managed to see five stage plays which were very enjoyable.

New champions on the west coast (please forgive me if I omit some as I am going by memory): Queenaire's Scotch 'N Soda is now International (FCI), American, Canadian, Mexican Champion Queenaire's Scotch 'N Soda. I believe he is the third Pom to have 4 titles; the other two are now dead. After his trip to Mexico City, he was shipped to his new owner, Mrs. Norma Creider of Tulsa, Oklahoma. This dog should be an asset to any kennel as I have seen some of his get and they look very good. Gladys Baldwin finished the title on Ch. Nap's Little Bourbon King A.D.M., handled to his wins by his breeder, Betty Naprstek. He is a lovely dog and very much conforms to the breed standard, with great legs. Shirley Miller is a very happy gal. She bred her bitch on Saturday, showed her on Sunday and she was Winners Bitch for 4 pts. She is now Ch. Sam's Terrific Tammy (Subj. A.K.C. conf.) Handler John R. Thysen. Betty Napstrek, I believe has finished a couple of others, but I don't have their names. Just look for the name NAP'S. Ch. Queenaire Cinnamon Twist, owned by Rodrigo Quevedo of Mexico City, finished with two Group I from the classes. Kennel Review point system, she was Number 2 bitch. Shown 10 times.

In the brain department, a C.D. title was gained by Lord Fang of Pomerania, Darlys Flaata owner-handler, and another C.D. by Brigg's Token, Venus Briggs owner-handler.

In my travel to different areas, I'm sorry to report that I feel nationwide the Poms are not as good quality

as I remember about 2, 3 and 4 years ago. I have seen a few lovely Poms, but I feel the majority don't have good legs. O.K., they don't have to work to survive, but they do have to walk to the food bowl and a few other places. I'm not saying that I feel an ugly specimen of the breed should win just because it has marvelous legs and nothing else, but I do think more emphasis should be put in this area. I understand that the color paragraph in the Pom Standard will soon read, "All colors allowed". I think this is good, because then the judges will look for more than just color. Also, I think the black and tans are very pretty.

Speaking of color, Dick Ball and Elizabeth Rabara are very proud of the Group I on their Ch. Arsenal Imp of Point Loma. This is the first black Pom to win a group in years. I know that the Schoenbergs did have a group winning black some years ago and possibly went Best in Show. Congrats, Betty and Dick.

I had a very pleasant visit with the Dykes, while they were here from England. In England, what I consider a cream sable is called a wolf sable. It was my thinking that a wolf sable would be the color of the Keeshond. You see, I don't know for sure, and I have bred Poms. How do we expect the judges to know?

## CONGRATULATIONS

### TO JOY & ART DAVISON AND THEIR JOART KENNELS

also continued good luck to All-Star's Hadleigh Dollita they purchased from us. She will soon be a champion.

Congratulations, also, to our friend Louise Rosbury on the recent wins with her beautiful son of our All-Star's Blossom View Flame. Tho "Robbie" has been returned to his breeder, our dear friend Irene Weltz, we still feel he is ours, as he is from a dam of All-Star breeding and 3 generations of females owned by us. He sired several winning Poms while we owned him, including at least one champion. Our latest champion, Hadleigh's Little Robin, is his half-brother — also a full brother to the sire of Ch. Elsie's Little Yogi Bear.

## OBEDIENCE

### RING

by **EMMA HEYDE**

170 Chicago Way  
San Francisco, Cal.  
94112

Lets put the spotlight on MYWAY MISTY DAWN, C.D., owned and shown by her owner Molly Miller of La Place, Louisiana, whose letter is being quoted in full as it reflects the fun and satisfaction as well as the pleasant friendliness encountered when showing dogs in obedience. She writes:

"This summer I moved to Louisiana, and wondered how I would ever meet with all of the obedience and conformation buffs. Well, Dawn had no doubts as to how we would do it. I wondered how I would fare at such large obedience shows. Dawn was delighted to see so many friends that she had not met before. Her first time in the ring was at the Deep South All Breed Obedience Training Club match on September 7. She scored 196 to be the fourth highest scoring dog in the match. She had a run-off with two German Shepherds. This run-off was a delight! The judge selected the recall as the exercise. When we called the dogs Dawn suddenly decided that it was a race. She launched herself forward and passed the others as if they were standing still. They then began to run, but Dawn had arrived. The crowd went wild! She won the run-off with a straight sit and snappy finish.

"Our next ring appearance was in Baton Rouge. At this match Dawn was high scoring dog in the match with a score of 196½. Here, too, she had a run-off. The tie was with a Miniature Poodle and the exercise was a halt from a fast. Dawn stuck with me even though she seemed to think I was not playing very nice to do such a thing.

"On September 28 we journeyed to Mobile. Here Dawn earned her first leg with a score of 195½. This made her first in Novice B, high scoring toy, and of course high scoring Pom. This show was doubly interesting for me since my sister's Pom, MYWAY NAPPER TANDEE, was fourth in Novice B with a score of 192½. At this point we took a brief rest while Dawn completed her first season. On October 5 Tandee once again scored and was the highest scoring toy dog with a score of 189½.

"Dawn and I managed to return on time for the Bilioix trial of October 19. Here Dawn scored 195½ again, and once again was first in Novice B and high scoring toy. Dawn earned her third leg in Houston on November 30. Her score was 198, and she was second in the class. She was also high scoring toy and high scoring Pom.

"For those interested in both obedience and conformation I might mention that Dawn is the daughter of Ch. Corn's Duke Dragonfly. She is now in training for Open work, but her education may be interrupted. She will soon be bred to Ch. Duke's Little Red Baron of Okala, a lovely BIS winning son of Duke." Many thanks to Molly Miller, and congratulations on such a fine record!

"*Hey, Look Me Over*" — a little article that caught my eye, appeared recently in "The Barker", newsletter of the Sacramento Dog Training Club. It was written by Jack Vance, an obedience judge, and I believe his remarks could be food for thought for breeders selling "pets-only" which may appear in the obedience ring. A word of advice from an experienced person about grooming and trimming is always appreciated by the novice. Mr. Vance says in part: "Who needs to groom a dog for the obedience ring? You do, that's who. Have you ever stopped to consider that the dog in conformation rarely has the ring to himself? He shares the spotlight with all of the other dogs in his class, but the obedience dog is out there in the ring for between five and ten minutes alone and the cynosure of all eyes.

"During his stint in the ring the obedience dog is on parade for his breed. True, not all obedience dogs have the overall perfection required of a champion, but most of them, if well groomed, are mighty fine looking animals.

"Ever do any eavesdropping at ringside? When a dog steps into the ring you will hear a spectator gasp, "Wow! Look at that beauty. That's the kind of dog I want. Wonder what breed it is." That's how people become interested in a breed and the impression made by the obedience dog may well lead to a sale and new support for the breed.

"Conversely, bring a neglected, poorly groomed dog into the ring and you may well hear, "That's an ugly, old dog. I don't like that kind." True, you can't tell a book by its cover, but an awful lot of money is put into placing covers with selling power on even the best of books."

## HELPFUL HINTS

by LEE B. HANAWALT

1115 Logan Road

Bethel Park, Pa. 15102

I hope to meet more of you through this column and share your "Helpful Hints," along with those that many other wonderful Pom breeders have shared with me over the years.

A helpful hint might be defined as any item that would aid the Pom fancier in bettering the condition of his Poms. This would include such items as kenneling, grooming, health, and so forth.

The following hints have been gathered through the years from many breeders who have been kind enough to share their knowledge with a novice.

Often when clipping toenails, we may cut into the quick. The bleeding that results is very difficult to stop. I have found that dabbing Mercurochrome directly on the wound and holding the Pom quiet for ten minutes effective in stopping the flow of blood.

This fall, we had a difficult flea population explosion. Since repeated bathing and spraying of our poms seemed to have little effect on the fleas, we started asking around for a more successful method. Gulf Bug Strips were suggested. These strips attract the fleas hiding in the kennel. Easy to use as you just hang them where you need them as long as you need them. Let your veterinary know that you use them, as their use causes a reaction to certain drugs.

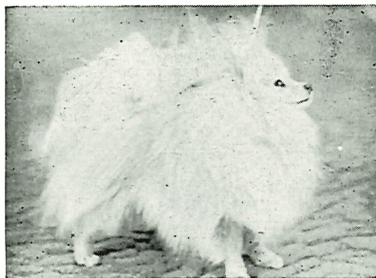

If you have happy tail wagging show Poms, you probably have wondered why other exhibitors' Poms

(Continued on Page 53)

## “DOWN IN TEXAS”

by **SHORTY HARWOOD**

POMACRE KENNELS

Mereta Route

San Angelo, Texas

*Leo and Barbara Holder of Houston, Texas are very busy people, they are trying to get a new home finished and the new Pomeranian kennel is something all of you will want to see, but anyway I asked Barbara if she would write something for my article, and here it is . . .*

Several months ago, you asked that I write an article for your column in the *Pom Review*. I assume that you meant the subject of this article to be in regard to the fantastic success we have been so fortunate to enjoy this past year with our Pom puppies.

Well, Shorty, I really don't know what you want, but as long as you are out busily winning with our dogs, the least I can do is take time out to try to get you something you can use for your column.

It would, indeed be wonderful if I could report that all of our problems (open skulls, bad legs, soft coat, and high mortality rates, etc.) had been solved — but then, that would be a big, fat lie!!

Taking one problem at a time, and trying to analyze my own situation, it seemed like the first place to really put forth an extended effort for correction was on the high mortality rate. (From my own statistics, from February 1962 thru March, 1966, the mortality rate of Pom pups up to

one year of age was 81%. From April, 1966 through December, 1968, the rate dropped to 20%, and for the calendar year of 1969, we have 100% LIVING PUPS!!!) We aren't sure exactly what we did, or how we did it, but here is a general outline of all contributing factors.

1. We concentrated on breeding almost all of our females to one male — thereby enabling us to get a good look at his kids from different dams — and also enabling us to keep our girls at home for breeding.
2. The dogs had always had a vitamin supplement, but we switched from Vita-pets and Pet-Tabs to Pervinal—doubling the normal dosage at the first indication of season and increasing to triple dosage through lactation.
3. We also switched from an already prepared frozen dog food diet to a half and half mixture of “almost raw” meat and broth and a small kibbled meal. (Bitches in whelp are given extra portions of this *plus* egg yolks and cottage cheese.)
4. Slides of vaginal smears and blood tests were made by the veterinarian, of some bitches as they came in season. Lo and behold! It was found that most of the females were carrying a low-grade infection. (These infections have no preference for younger or older females. Sometimes they are found during a bitch's first season.) Indications of a possible infection are:
  - a. Appearance of thick, white, gooey discharge — sometimes prior to swelling and sometimes during. (I call this the “Ivory liquid gunk”.) The quantity of this varies.

b. A season with color that is not a good clear red — rather a dark, murky, muddy color.

c. An odorous season. If the discharge has an odor, you are in trouble!

d. A prolonged season. (You know the kind — a bitch you can breed fifteen times.)

5. After infections were found to be prevalent in most females, we decided to treat every female routinely as she came in season.\*
6. In some instances, it was found that the (medication) given was not doing the job, and cultures of the discharge were made.\*

7. In addition to this, after each whelping (even though the number of placenta equalled the number of pups), as soon as possible the dam is given an injection of .....\*

During the past 2½ years, we have stuck to our breeding program, but have purposely omitted (alternately) the vitamins and the medication (but not both at the same time). We did great until we omitted the medication two times in row. During 1969, we had a total of nine misses — seven of these were on non-medicated females!!!

The coats are still soft, the legs still leave a lot to be desired, but overall the heads are closing (only 5 out of 23 open, and those which are open seem to be gradually closing), and the mortality rate is ZERO. The phenomenal thing about this is that one would think the pups we are now getting were from a different breed (as compared to those of three years ago). The pups come into the

world trying to live, not trying to die, and the average birth weight has been increased by one ounce!

Surely it can't be as simple as all this, but at least "IT WORKED FOR A WHILE"!!!

*\*Mrs. Holder had given specific directions on medicine and dosage. As the code of Pomeranian Review prohibits us from printing veterinary advice, as such, we refer each reader to his own veterinarian.*

---

### Reynolds (con't)

● Puppy Bitches — LUND'S SYMPHONY OF HADLEIGH owned by Gladys Lund.

● Open Bitches — TINY RED RUBY OF TRAILS END owned by Eleanor Morin.

Much excitement and loud applause went up as Judge Maxwell Riddle made his final choices for the Top Honors which went to:

● BEST OF BREED—CH. ELSIE'S GOLDEN BILLY BOY OWNED BY ELSIE CABLIS.

● BEST OF WINNERS—CE LOU'S LI'L CAV'S L. BERNSTEIN.

● WINNERS BITCH & BEST OPPOSITE SEX — TINY RED RUBY OF TRAILS END.

A much added treat at the Specialty was to see the lovely Brace owned by Hazel Grose enter the ring. Going all the way through TOY GROUP to BEST BRACE IN SHOW were CH. MC KAMEY'S PERFECTION O' GOLD and CH. J. & H IRENE.

A very sad note could not help but shadow the two days of benching. The Northern California Pomeranian Club has lost a dear friend and Past President. It was but only a few days after learning of the death of WILLIAM HOFFMAN. Bill had been a very active member in the Club since the beginning. He served on many committees as well as being a good Officer. He will always be greatly missed.

When you receive this, we will be celebrating our N.C.P.C.'s 10th Anniversary. We are very proud of our Club with its activities and achievements. We will have an Anniversary Party to honor our Charter Members and welcome the many who have joined us since April 1960. Guest of Honour will be our Founding and Charter President, BUD KNAPP.

Plans are now in the works for the N.C.P.C. Summer Specialty to again be held on the July 4th weekend. The Committee is still accepting Trophy Donations which will be dedicated to the MEMORY OF BILL HOFFMAN. It is our hope that this will be our largest Specialty and that we will see you from YOUR REGION OF THE COUNTRY join us of the very active NORTHERN CALIFORNIA POMERANIAN CLUB.

---

### Hints (con't.)

Keep their fanned tails while yours always looks all ascrew. You may find that a little coat conditioner or water sprayed on the underside of the tail will help your Pom's tail keep that well groomed look.

---

## RINGSIDE

by K. BIRK

861 N. N. 38th Ave.  
Fort Lauderdale  
FLORIDA

Our Florida circuit started at Jacksonville on the 2nd of Jan. and ended at Palm Beach on the 20th. It is a long hard grind to make the complete route all the way around and down to the tip of the state. My sincere congratulations to the winners and sympathies to all the exhibitors who made the expensive journey and were disappointed in their wins . . . or lack of them.

Each day a different show, a different judge, a different dog made a different win. As they say "That's Show Biz" or "You pays your money and ya takes your chance."

Again I was unable to take in the shows in other parts of the state. My daughter chose this time to visit and wanted MOMS cookin' so Mom cooked. I think if it hadn't been so cold that week she would have spent all of her time at the beach and LUMS COOKIN' would have suited her just fine. Even tho' I didn't get to go, I do have the wins from Tampa. Isidore Schoenberg judged and placed CH. Duke's Lil Red Baror of O'Kala Best of Breed. Best of OP was Phynor Black Queenaire.

As well as missing the shows on the Gulf coast I missed out on a "get-to-gether" at the Ray Wines after the Clearwater show. Faye had a Buffet for the Pom and Schnauzer folks. I know what a good cool Faye is so I know everyone enjoyed every bite.

Sherry Wine, their daughter, qualified for Junior handling at the Garden. Ray hadn't planned to go but flew up for the judging when he learned she was one of the finalists.

The first of the four shows in South Fla. was here in Ft. Lauderdale. Ted was busy all day with his job on the grounds committee. I had promised several hours on the gate, so the best I could do in the way of hospitality was to set up under the tent (shelter for us from the rain or the sun, we never know down here) and hope that everyone would gather 'round and get acquainted with those they hadn't met before. I had soft drinks and ice, card table and chair . . . I know some found their way to each other for chit-chat. Marlene Scott was trying out her new Polaroid. Olga Bakers' mother came to Fla. with her, they have relatives in North Miami. They were with us part time, I don't know what they thought of us "Nutty" dog folks.

The Judging at L'dale was by Mrs. Albert E. Van Court. She gave Best of Breed to Scotia Spectacular Sable Fem, and Best of Opp. to Poincianna Cavana Trulyfair.

As soon as Ted and I were freed from our duties we grabbed the "LITTLE TEXAS TORNADO" The Duke himself, and his son, Jeribeth's Dragonfly Dickens (known to his friends as Little Brother) and headed for a good restaurant on the beach. Of course we took Olga Baker with us, ITS A PACKAGED DEAL. The Duke and Little Brother made delightful guests but momma Olga?? She truly is a mother hen. I DO believe as soon as she got off the plane she was ready to board again and fly right back to her little "brood"

in Deer Park, Texas. Seriously, the only problem with Olga's visit was, it was much too short.

The next show was the Pom Specialty in Hialeah, where I met a delightful lady, Nellie Herry. She is from Jacksonville and I'm sorry I haven't met her long before now.

The Altwaters hadn't entered our show so it was the first I'd seen them. Caroline was her Ole Smilin' self but Rea looked kinda "puny." Guess it was cause he was *feelin'* kinda "puny" from battlin' the flu bug. Their Patrick had added some points to the ones he had picked up at the Carolina shows. He had 9 points the last I heard. Judge Georgianna Lane chose CH. Scotia Cavalier's Hello Dolly for Best of Breed and gave Best of Opp. to CH. Corn's Duke Dragonfly.

At Miami our quarters were so small we couldn't even bend over at ringside, nor was there any air to breathe. They had thrown in three rings instead of the usual two. Jane Johnston (Louisville, Ky.) twin sister of Mrs. Jim Coy, had failed to reach me by phone on Saturday so I was glad we made our connection here. I only saw her for a minute but long enough to make a date for another day. She was there with her neice, Mrs. Bischoff, who incidently lives not far from me.

This was the third show that I had been set up and had been talking to a Mrs. Berg from St. Louis. Not until she had left the shows did I realize she was the lady I had corresponded with some time ago. I wonder what she thinks of me? I apologize for not remembering.

(Continued on Page 70)

## MAY MORNING POMERANIANS

### AVAILABLE NOW

Beautiful white male  
whelped May 1969  
for **PET** only

Tiny white female  
whelped Oct. 1969

**May Morning Gay Troubadour** congratulates his daughter, **Ch. Legegwan Twinkle Toes**, owned by Mr. & Mrs. George Wanner, on completion of her title at the Detroit K.C. Show under Judge Haskell Schuffman. (Subj. A.K.C.)

Our fall puppy crop was very small. We were sorry to disappoint people who had been waiting for puppies, especially all those hoping for blacks. We should have a good supply of thoughtfully bred litters in various colors, from now through May and June, as all our females are due in season or have been bred.

### INQUIRIES INVITED

1 male, 1 female sired by "Bing" son (linebred Showstopper) out of our May Morning Honey Chile, wh. Feb. 15, 1970. Will be red or brilliant orange.

Champion sired **BLACK** litter — expected March

Litter sired by **Ch. Duke's Lil Red Baron of O'Kala** — expected April

Litter sired by **Ch. May Morning Bravo Bravo ("Bing")** — expected May  
(Showstopper-Serenade breeding — should be red or sable.)

### ALSO

Litter of **DOBERMAN PINSCHERS** sired by **Ch. Gralemor Demetrius v.d. Victor** out of **Ch. Heiko II Vom Ahrthal** daughter, bred for good temperament, as well as beauty — early April.

**Sophie H. Mayes**

R.D. 4, West Chester, Pa. 19380

Phone: 215-793-1912 - late evening.

## EDITORIAL

Perhaps it is not the function of an Editor — especially an "Interim Editor" — to make suggestions to the Board and to the Membership, but our most recent Specialty and Annual Meeting in New York have left me with some thoughts which I would like to share.

For a number of years, the American Pomeranian Club had considered the classes at the Westchester K.C. Show as its Specialty Show. This show, in early September, found many Poms out of coat, many members unable to be away from home due to schools just starting, etc., etc. Our entry declined until it was truly deplorable. One year, there were only 19 dogs.

In 1960, under the able leadership of President Miss Anna Katherine Nicholas, our separate Specialty, held in New York City the day before Westminster, was revived. The Garden, being a two day show on Monday and Tuesday, with breed judging held on Monday, was a "must" for all serious Pom breeders to attend as spectator, if not exhibitor, and staying over one extra day was possible for many.

With the new, more stringent entry requirements at the Garden, and Toy judging not scheduled till Tuesday, Westminster has become just one of those shows many would like to attend — but due to the added expense of staying on to watch breed judging on Tuesday, they simply cannot afford it, especially if their Poms are not eligible for entry. Therefore, the primary reason for holding our American Pomeranian Club Specialty in February, before the Garden, no longer holds good.

It seems to me, comparatively few people can take an extended vacation in the month of February. Weather in New York can be very bad that time of year as we found out in 1969! There are not many who can afford to send in entries, make reservation, etc. and then stay home — or, perhaps worse yet, risk getting snowed in for several extra days' hotel expense and baby-sitting and/or dog-sitting expenses they hadn't counted on at home.

In the ten year history of our separate Specialty Shows, only twice has the entry gone over 100. The entry, mind you, not the number of dogs, as this includes double entries in the Sweepstakes and nonregular classes.

I would like to propose a change of date for our annual separate Specialty and, of course, the Annual Meeting. Our By-Laws will be considered for amendment in the coming year, and the date of the Annual Meeting could then be changed.

Our "summer" Specialty, held last fall with the Devon Dog Show in October, although not decided upon too far in advance, brought us a much better entry than we had managed the past several years at our June shows in Connecticut and, again, far better than at the early September Westchester show. Pom coats have had a chance to grow in by October, for one thing. This leads me to suppose that if our ONLY separate Specialty were held in October, we would be able to draw an entry well over the 100 mark.

I would like to propose that the Board consider an October Specialty, still in New York City, but held on a Friday, before a pair of nearby all-breed shows. The Show Dinner and

## 1970 STUD DOG REGISTER

This is Pomeranian Review's 1970 Register of outstanding stud dogs. On this and the following pages — and in some of the display ads — are shown dogs that, for their individual excellence, unique characteristics or special breeding, stand ready to help every breeder in the country. Inevitably, some owners of fine stud dogs failed to send their entries in, for one reason or another. But with so many represented, from every section of the country, and of so many different bloodlines, we feel that our Register, this year is very complete. May we request that when breeders send inquiries to stud dog owner, they mention: "I saw your stud card in the Review."

### Birk (con't.)

CH. Corn's Duke Dragonfly went Best of Breed. Best of Opp. to Scotia Cav's Glimpse of Glory. Maxwell Riddle judging.

We were fortunate weatherwise during the shows in So. Fla. Palm Beach has a beautiful place for a show and with a sunny warm day everyone seemed in a happy mood. (Maybe I'm wrong, it could be they were glad to be going home) Marlene Scott took the breed with CH. Vans Bonnie Baby Doll. Best of Opp. went to Mrs. Kendrick Lane with Georgiana's CH. Kavilla's Golden Minado. Mrs. Haywood R. Hartley judging.

The Coy's, Jim and June, were down right after the shows. They didn't stay long enough for us to show them around. June was very sick and a letter from Jane says Mrs. Coy landed in the hospital as soon as she got home.

The Birks had more than one distinguished visitor during the circuit. We entertained CH. Model's Son of Fun between the Miami show and the Palm Beach show on Tuesday. I was scared to death with the responsibility but really loved having him. We're hoping he'll bring Bob Goodrich with him on a return visit.

NOTE TO FLORIDA POM FANCIERS . . . Since the last issue of the Review my mail has been heavier than usual. There was a tremendous response concerning another Pom Club in Florida. Many are most enthusiastic about the idea. When I get definite news it will be reported in this column.

Mrs. Jack Jones (Exquisite Knls) wrote me about a ghastly experience that should be shared with all

breeders but my column is already too long. We want plenty of space for the reports on the Specialty. Twice a year I have show reports, the other two issues I have open for any news you have or anything you want discussed, please feel free to send it to me.

---

### Editorial (con't.)

Annual Meeting could take place Friday night, and the exhibitors could decide whether to attend the Saturday and Sunday dogs shows nearby, or stay in New York for theater going, etc.

While I am at it, I would also like to propose that the Board reconsider the possibility of replacing the Puppy Sweepstakes with an Annual Futurity, in connection with our Specialty. A Puppy Sweepstakes is like a Puppy Match, with the difference that the entry fees are split up among the winners. On the other hand, a Futurity, which involves nominating the bitch before she whelps, and keeping individual puppies eligible until the show, provides a real test of each breeder's faith in his breeding program. And, while individual cost can be held to a very reasonable figure, the total prize money awarded could be very much larger than at present.

I hope that members who agree with my suggestions or who have other suggestions to make will write immediately to the Board. There can probably be no change in date until 1972, due to the necessity of advance planning — but please **MAKE YOUR WISHES KNOWN!**

---

## YIPS AND YAPS

**MRS. MOLLY KERR**

Toronto, Ontario, Canada

**PATRICIA O'BRIEN**

Mt. Juliet, Tenn.

Dear Mrs. Husted:

I wonder if you remember a Pom breeder called Mrs. Charlotte Walker, of Toronto, Canada? She has the Pom-Pom Kennels, and has been breeding a good many years. She is one of the oldest members of the Canadian Kennel Club, and I know she is known to many U.S. breeders and handlers. Mrs. Walker was 100 years of age last March, 1969, and has been very active until Dec. 29, 1969 when she fell in her home and it was found she had had a stroke. She has been in the hospital since, and is coming along just fine. Her mind is as clear as ever, but she hasn't been able to use her left arm or leg, so she has been moved to a convalescent hospital where she is having treatment. The friend with whom she has lived for many years visits her every day. She can be contacted at their home:

Mrs. A. Symons  
234 Ryding Avenue  
Toronto 9  
Ontario, Canada

Mrs. Walker is a darling young lady who will never be old no matter what age she is. I have met her at dog shows wandering around, a smile on her face. She can't hear very well, even with her hearing aid, and her eyes are not too good. She was always happy just to be amongst dogs and dog people, and if you go up to her and say "hello", she would be so pleased that you spoke, explaining that she sometimes can't see you and wouldn't like to walk past someone she knows. I thought you might want to know about Mrs. Walker, and if you have space to put a few words in the Pom Review, there might be people who don't know she has been in the hospital.

(Ed. Note: At the Annual Meeting, when the above letter was read, Mr. Robert Lasky of New Brunswick, Canada, told us that he knows Mrs. Walker very well, and recounted several amazing stories about her. It seems that until she was 97 years old, Mrs. Walker belonged to two bowling leagues and bowled twice a week!)

Dear Mrs. Husted:

Here is my check renewing subscription to the Pom Review . . .

I think the Review is a great little magazine, and find myself referring to it for inspiration and information. I really enjoy the kennel visits and the down to earth reports from various sections of the country. Would love to see a similar article on grooming and conditioning for show as the one on judging by Shirley Hoffman. Such articles are a real help to me, being a very green but determined novice.

My four Pom ladies and I would like to thank the staff, especially Sophie Mayes, for putting out such a fine magazine on a bouncy powder puff of a dog full of mischief, merriment — endorsed with a loving wet tongue.

★   ★   ★   ★   ★

**TED BIRK**  
Ft. Lauderdale, Florida

Please permit me to be a "committee of one", to represent the state of Florida as its spokesman.

To you breeders, exhibitors, and spectators attending all or part of the Florida Circuit, we are glad you were here. I'm sorry the weather was cold and bad for the first shows. BUT! — those that stayed, enjoyed beautiful warm days for three of the last four shows, Ft. Lauderdale, Miami, and Palm Beach.

Unfortunately time, distance, and busyness did not permit me to leave this area, so I could not meet or talk to some of you in person. However it was nice to see and talk to old friends, and to meet and greet some new ones. If I missed any of you it was not intentional. When I have a dog to show I am tense, nervous, and may seem aloof, as I stay away from people and dogs, before entering the ring. Then it seems that after the judging, everyone just disappears.

To all of you, do come again to our wonderful Florida, we loved having you.

## YIPS and YAPS (Continued)

**BURNEICE F. LOVELACE**  
**Baltimore (Stoneleigh), Md.**

Dear friends:

It has been many months since I have been able to say "hello". I enjoyed my work on the Review, although we had ups and downs and when the barrel ran dry on a couple of issues, my heart sank, but the printer was kind enough to give us more at extra cost and from there on in we tried to keep ahead. At that time, the midnight oil burned by me stuffing, labeling, stamping, then mailing, then I would receive letters — where is it and would have to reply — on its way; sometimes we had trouble with checks — not sufficient funds, but working for a lawyer, I made contact with the bank on which they were drawn or drastic steps turning over to a lawyer for collection. Sometimes we all get in this spot, but? Next headache, not notified - change of address. This is indeed important.

They say a cat has nine lives, don't believe it — mine must be 99. I received many lovely letters, cards, etc., and I sincerely appreciate them all. Everybody was so kind. Even now I receive letters "where and how can I get Review". Coming from the Complete Pomeranian by Ricketts. All of these are forwarded by me to Dorothy Husted and you know how she is — very exact and hard working as a "laborer" with the Review. I am sure you got it.

Jim Arima started a tiny snow flurry that has developed into a large volcano, both with subscriptions and members. Ruth Bellick moved to Baltimore and that was wonderful as she was then Editor and we worked so hard together. Vicky Sweeney was next and they could not come better. I see where they have an ad for a helper to get the Reviews out (for proof reading, etc.). Good luck. They'll enjoy every minute once they get their finger in the pie.

Mrs. Leonardis will always be missed, as well as Vicky. They can never be replaced.

My hat off to Edna Girardot. It took her to show what can be done and many thanks to her telephoning me when she is near Baltimore

I still have my kennel license and two pomeranians 8 years old, sons of Champion Zein of Zanow (Timmie), and 15 buried heartaches in Oakleigh Pet Cemetery — 8 champions as old as 19 years.

Thanks to the American Pom Club for wonderful minutes, particularly judging at Westchester Specialty Show (wonderful poms and entry); meeting old friends and a recent surprise of becoming an Honorary Member of the Club.

★ ★ ★ ★ ★

**ANNA E. COWIE**  
**Phoenixville, Pa.**

Several letters have appeared in the REVIEW relating to the requirements for the pom brood bitch which I feel should not remain unchallenged. I cannot agree with many of the comments made and would like to express some of my own.

A tendency is noted to infer that many of the winning bitches in the show ring are poorly coated, unsound in stifle and have little other than tiny size and pretty heads. It is also inferred that such dogs would make unsuccessful brood bitches principally because of their small size.

What are these complainers aiming for? I believe they want what all of us in poms are seeking in a good brood bitch. She must be of the best possible conformation, be able to reproduce as good, or hopefully better, quality than herself and must be able to do so with minimum physical difficulty, i.e., be a free-whelper.

As any veterinarian familiar with the breed will confirm, the principal factor in determining a free-whelping pom is pelvic construction, not overall physical size. Not only must the pelvic area be sufficiently large, but also free from abnormalities, which are not too uncommon. Further, some of these important factors seem to be inherited and should be considered when selecting the brood bitch. Chihuahua breeders have overcome the problem through years of selective line breeding of free-whelpers in both their dogs and bitches. It is pertinent

## YIPS and YAPS (Continued)

to remember that their breed is even smaller than ours.

Regarding comments as to the smaller poms being generally of poor coat, unsound in stifle and having little other to offer than tiny size and a pretty head, let's not generalize broadly from a few isolated cases. However, it should be emphasized that poor stifles are an inherited characteristic not related to size. I have discussed size with many judges and very few express any real preference for a particular weight or size. Most feel that the smaller are the better dogs now being exhibited but that those having really good, larger poms should not hesitate to show them. They can win, too.

Regarding the commenters at ringside expressing their opinions as to the suitability of the bitch in the ring as a brood, how can they be so "expert" in determining whether a bitch will be a free-whelper, or that weight makes for better movement, or, for that matter, a better dog? As a judge, ex-professional handler and a former breeder, I know that I could not even hazard a guess as to what each dog is capable of, from ringside.

Let's not infer that there are fewer champion bitches in the pom breed than in many others. It is a common and well-known practice to campaign the dog rather than the bitch. Why? Financial reasons, mostly. Unless a breeder is independently wealthy, he must remain solvent. A dollar spent must bring in more than a dollar or he merely breaks even. He can afford to campaign a really good dog to his championship because it's a good investment. Again, if the dog is really good, he may reach a hundred, perhaps several hundred stud-service customers in the dog's productive lifetime. How many will he reach via sales of the bitches puppies? Perhaps a couple dozen. He also finds that the serious breeders are more concerned with what the bitch produces than they are with whether she has a "CH." ahead of her registered name. These are cold facts.

Our current, basic problem in both dogs and bitches lies not in size but in overall structure and soundness. In breeding, we should also face up to the fact that many sections are needlessly

done by the novice breeder, the over-anxious and by some older breeders who will not permit a bitch to whelp normally. We should use more care in selecting our brood bitches and studs from free-whelping lines if we wish to reduce whelping problems. This may require that you remove from your breeding program, regardless of the time, effort and heartbreak, those dogs which are truly beautiful pets but not sound breeding stock.

★ ★ ★ ★ ★

**LEE B. HANAWALT**  
Bethel Park, Pa.

I wonder how you ever get all your jobs done! The "Review" has grown quite a bit since we started subscribing ten years ago. By the addition of more educational articles, the "Review" is better than ever.

I would like to offer my services as the writer of the column on "Helpful Hints." There are certainly people more qualified than myself, but they probably don't have as much time. Presently, I have collected enough hints for several issues. It is my hope that by starting the column others will be encouraged to send their hints. Am enclosing my attempt at such a column for your consideration and comments.

★ ★ ★ ★ ★

**DOLORES ADKINS**  
Eden, New York

I am very happy to be a new member of the Pom Club. I have just recently tried tube feeding and was very successful with it. The first time I tried it was on a 1½ oz. puppy. She just would not nurse at all. She was premature and blue at birth. After tube feeding her for 2 weeks, she got strong enough to be put on a bitch in full milk and has done well. At 4 months she is 2½ lbs. The second time I had to do this type of feeding was with another tiny one. Her mother got sick and could not take care of her. She is now almost 6 weeks old and only weighs 10 ozs. She is just starting to eat raw hamburger and cottage cheese. I am still tube feeding her as she hasn't tried to lap up water or milk yet.

So ladies, go ahead and try it. It sure beats an eye dropper or bottle feeding.

## JANE JOHNSTON

I have just return from a very delightful trip to Florida. I attended the show in Miami on the 18th, where I showed Thrasher's K-Nine Souvenir, owned by my sister and brother-in-law, June & Jim Coy, of Louisville, Ky. Bill McCoy, who normally handles the Coy Poms, was not going, and since I was going anyway, thought I might possibly pick up the two points "Sue" needed to complete her championship. We did not accomplish this, but met so many lovely Pom people—among them, Ted & Kathryn Birk of Ft. Lauderdale and Edna Girardot of Floral City, Fla.

As I was visiting my niece and family in Pompano Beach (which adjoins Lauderdale) the Birks very kindly invited me to attend the Palm Beach show with them on the 20th. I gladly accepted their invitation and spent a very enjoyable day. This was an outside show at the Colonnades Hotel right on the ocean, and to one who had been sloshing through snow in galoshes since the Sunday before Christmas here in Kentucky, the warm sunshine, blue skies and palm trees were indeed welcome.

While there I had the pleasure of meeting Olga Baker, owner of Corn's Duke Dragonfly, and also Marlene Scott. Kathryn Birk picked me up later in the week and took me sightseeing around Lauderdale, which I enjoyed immensely. I will long remember the fine hospitality of the Pom people I met while in Florida.

## GERI SEDORA

Castle Creek, N. Y.

Dear Friends,

Just back from the Specialty at New York. This was our first year as a Pom exhibitor and we really enjoyed ourselves. What a 'thrill' to see all those gorgeous dogs. And it seemed to us, the better the dog, the nicer the owners. Everyone was so helpful and we were made to feel right at home.

The Pom Review has always been looked forward to with great expectancy and now even more so. What a wonderful way of communication for newly made friends.

I would urge all Pom fanciers to make every effort to attend these Specialties and I hope they will find the experience as joyful as I did.

## MRS. G. B. HANKINS

Renton, Wash.

As a novice I have been studying every Review and every issue of the AKC Gazette now for some two years plus attending all shows and the one Specialty within 150 miles of my residence. I have corresponded with and talked to personally as many breeders as possible before narrowing the field down to the type of dog I prefer which fits the Standard and the kennels which are proving themselves through the progeny of their sires and dams as well as in the show ring. After all this careful study I chose a number of breeders, all reputable, and all advertising almost monthly in one or more dog magazines including the Pom Review, in order to purchase several show quality bitches for foundation stock. I also have one bitch who was pointed and ready to be bred and for whom I was attempting to choose a suitable mate. Also I must mention that I have heard from a goodly number of other breeders who have written to these same kennels and had the same disappointment as myself, and this includes breeders from all over the country.

I received replies on only about one-fourth of the letters I wrote. Why do these breeders bother to advertise puppies and stud service at all when they are too discourteous to even reply to a letter of inquiry? Some use the excuse that they are too busy, but certainly it takes only five minutes for a breeder to address a post card and write, 'I'm sorry we have nothing for sale at this time, but we will put you on our waiting list.'

Several breeders were courteous enough to tell me of the breedings they had planned in the future and said if they would produce show quality bitches from these breedings, they would certainly let me know. They even thanked ME for writing.

I must mention the most courteous letter of all, though this breeder does not know me. I wrote to Jackie Klein asking for a show quality bitch and she immediately sent me pictures

## YIPS and YAPS (Continued)

not only of the puppies she had available but also of the sire and dam plus grandsires and granddams as I had requested. When I asked for another shot of a particular pup, in spite of the fact that she had just lost a close family member and had to constantly visit the

hospital where her daughter was in bed with a body cast, she went out of her way that same week to take extra pictures and send them to me immediately. Now if all Pom breeders were as courteous as Jackie, we would certainly have a marvelous organization!

## DUKEDOM

We realize the extreme difficulty in photographing several dogs together, and give full credit to our fine animal photographer, **MR. MORRY TWOMEY** of Shreveport, La. We proudly share this picture taken at the Galveston, Texas show, of "**THE DUKE**" with some of his outstanding get. Almost invariably, "Duke's" toughest competitors have been his outstanding sons, daughters and grandchildren. We salute these dogs and their owners. Other Duke children are winning in all parts of the country.

Left to right . . .

**MITEY-CUTE STARDUST** — Winners Bitch and Best Opposite Sex — A DUKE daughter.

**CH. TONO'S JUST CALL ME MISTER** — A Best in Show Double DUKE Grandson.

**CH. DUKE'S LIL RED BARON OF O'KALA** — A Best in Show DUKE son.

**CH. CORN'S DUKE DRAGONFLY** — Winning Best of Breed over all this lovely "kinfolks" Competition!!!

**CH. JERIBETH'S DARLIN' DOODLE-BUG** — Champion DUKE son.

Champion Corn's Duke Dragonfly  
is at Stud in Texas — Fee: \$100.00

**Owners: Darrell and Olga Baker**  
102 Elm  
Deer Park, Texas 77536  
713-479-1448 (Houston)

Duke sons also at Stud \$50.00 and \$35.00
